- ❖ Login distributor account.
- ❖ Click "Account" to choose the option of installer.

The screenshot shows a web application interface for managing installers. The 'Installers' tab is selected. A table displays the following data:

No.	User Name	Company Name	Phone	Actions
1	<a href="mailto:info@solarturn.nl">info@solarturn.nl</a>	SolarTurn	0237112125	<a href="#">Edit Company Name</a> <a href="#">Delete</a>

An 'Add' button is circled in red. Below it, an 'Add Installers' modal form is open, with the following fields:

- User Name  \*
- Email  \*
- Company Name  \*
- Phone  \*
- Location

The 'OK' button in the modal is also circled in red.

- ❖ Click "Add", then fill in the information of installer.
- ❖ Click "OK" to create a new installer account.

The screenshot shows the SAJ website's installer account creation interface. At the top, there is a navigation bar with the SAJ logo on the left and the email address 'info@solarturn.nl' and a 'Logout' link on the right. Below the navigation bar is a main banner for the 'Sununo Plus 3K-M / 4K-M / 5K-M' inverter, featuring a '25-YEAR PROFIT MAXIMIZER' headline and three columns of product benefits: 'LIGHTWEIGHT' (100% aluminum case, superior heat dissipation, 39% size reduction, 14.8kg minimum weight), 'ROBUSTNESS' (Dual MPPT, 10 years+ @60°C DC bus capacitor lifetime), and 'SIMPLICITY' (Easy-plug input & output interface, 3 optional communication interfaces: GRPS/Wi-Fi/Ethernet). Below the banner is a horizontal menu with tabs for 'Profile', 'Password', 'Parameter', 'Distributors', and 'Installers'. The 'Password' tab is selected, and the main content area displays a password creation form. The form includes three input fields labeled 'Current Password:', 'New Password:', and 'Confirm Password:', each with a corresponding text input box. To the left of the form is a graphic of a folder with a dial and checkmarks. An 'OK' button is located at the bottom right of the form area.

- ❖ Login the new installer account.
- ❖ User name is email address.
- ❖ Password is 123456.
- ❖ Choose the option of password to set your own password.

\* Double click on the device to complete the move. SelectAll : Ctrl+A, Continuous selection : Shift, Non continuous selection : Ctrl.

### Option 1:

- ❖ Enter the keywords to search the installer account which you created.
- ❖ Double click on the SN number from **Resources** to **Target**.
- ❖ Click the “Transfer” to complete the move.
- ❖ Then you can check the data of solar plant in installer account.
